

The Crane Building

Our role

Appointed by Buro Four, to provide strategic procurement and development advice to Dorrington Estates, when the project was tendered for construction.

Following our involvement the project was realised within the clients budget expectations.

Project details

This project includes the redevelopment of an obsolete 40,000 sq ft building off Southwark Street. The development includes a complete refurbishment of the existing building including stripping the building back to its frame, new cladding and two completely new floors.

Statistics

Project Budget – £7.2 Million

Office refurbishment

Programme Completion – July 2013

Appointment

Ashfold was appointed in January 2012
